

## **Financial Systems Specialist**

The City of Alexandria's Finance Department is looking for a detail-oriented, independent, customer-focused Financial Systems Specialist to join our team. As a member of the Administrative Services Division, the Financial Systems Specialist supports our financial operations by providing functional support for all financial systems. An employee in this position will work closely with department staff, City staff, and external vendors, to troubleshoot issues and facilitate solutions.

The Finance Department maintains dozens of financial systems to efficiently and effectively administer the diverse array of services involved in the City's financial management. The Financial Systems Specialist directly supports the operations and employees of the Finance Department, from entry-level to department director, who are system end-users. As a primary point-of-contact for staff, vendors, and ITS officials, this position provides functional, responsive, and specific solutions for the department's many information technology needs.

The Financial Systems Specialist works under the general supervision of the Deputy Director of Finance.
