#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Virginia Government Finance Officers' Association as of December 31, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

A. Nature of Activities:

Virginia Government Finance Officers' Association (the Association) is a member organization formed in 1968. The primary mission of the Association is to foster excellence in government by creating opportunities for professional development.

B. Basis of Accounting:

The Association maintains its assets and liabilities, and records its income and expenses by use of the accrual basis of accounting. Under the accrual basis, revenues are recognized in the accounting period in which they are earned, while expenses are recognized in the accounting period in which the related liability is incurred.

C. Financial Statement Presentation:

The Association is required to report information regarding its financial position and activities according to two classes of net assets based on the existence or absence of donor-imposed restrictions:

Net assets without donor restrictions - Net assets that are not subject to any donor-imposed stipulations. At December 31, 2020, the Association had net assets without donor restrictions of \$198,044.

Net assets with donor restrictions - Net assets that are subject to donor-imposed stipulations. Some of these restrictions may be met either by actions of the Association or the passage of time. Other net assets are subject to donor-imposed or other legal restrictions requiring that the principal be maintained permanently by the Association. At December 31, 2020, the Association had no net assets with donor restrictions.

D. Deferred Revenue:

Deferred revenue consists of advance registration fees for courses and advance membership dues.

E. Cash and Cash Equivalents:

For purposes of the statement of cash flows, cash and cash equivalents consist of highly liquid investments with an initial maturity of three months or less from the date of acquisition.

F. Income Taxes:

Virginia Government Finance Officers' Association is exempt from Federal income taxes under Section 501(c)(6) of the Internal Revenue Code and therefore no provision for Federal income taxes has been reported in the accompanying financial statements. **NOTE 6 -SUBSEQUENT EVENTS:**

In preparing the financial statements, management has evaluated events and transactions for potential recognition or disclosure through March 22, 2021, the date the financial statements were available to be issued.

In December 2019, a novel strain of coronavirus disease (“COVID-19”) was first reported in Wuhan, China. Less than four months later, on March 11, 2020, the World Health Organization declared COVID-19 a pandemic. The extent of COVID-19’s effect on the Association’s operational and financial performance in 2021 will depend on future developments, including the duration of the pandemic. The Association is considering cancelling its Spring conference that is scheduled to be held in May 2021 in Virginia Beach, Virginia as a result of the COVID-19 pandemic. It is not currently possible to ascertain the overall impact of COVID-19 on the Association’s future business and cash flows. Management believes that it has adequate liquidity and business plans to continue to operate for the next twelve months from the date of this report.
