Re: Response to Exposure Draft: *Proposed Revised Code of Professional Conduct*

Dear Ms. Snyder:

The Virginia Government Finance Officers' Association (VGFOA) appreciates the opportunity to comment on the AICPA Professional Ethics Division's ethics codification project. In general, we agree with the exposure draft and have no comments regarding the proposed revised AICPA Code of Professional Conduct.

The VGFOA values the opportunity to be a part of the AICPA's standard-setting process and thanks you for your consideration.

Respectfully yours,
