

Financial Analyst

The Northern Virginia Transportation Commission seeks an analytically minded and detail-oriented Financial Analyst to support the financial and accounting activities of the Commission, with a focus on analyzing gas tax revenue. The ideal candidate will have: the ability to develop tools for analyzing data, high proficiency in Excel, strong accounting skills, exposure to governmental accounting and reporting, capacity to work well with minimal supervision and willingness to take on a variety of financial tasks as assigned.

Position Description

The Financial Analyst reports to the Director of Finance and Administration, and will provide support in many financial and accounting activities. The primary focus of this position is to perform analysis of NVTC gas tax revenue data to identify unusual taxpayer reported activity and trends, including the creative development of analytical methods and tools.

Other activities may include:

- Provide general ledger, source journal and source document support.
- Perform account reconciliations.
- Assist in the preparation of monthly financial reports.
- Assist with internal budget development and tracking.
- Provide support in maintaining the Commission's revenue allocation model.
- Provide support in the preparation of the annual audited financial statements.
- Assist with the preparation for NVTC's annual audit.
- Track and report jurisdictional trust fund activity.
- Track Commuter Choice and state grant activity.
- Review program and state grant reimbursement requests.
- Perform special projects and analysis as assigned.
- Provide accounting staff backup and redundancy.

Requirements

Required:

- A Bachelor's degree in accounting or finance.
- Four or more years of relevant professional experience, governmental fund accounting and reporting preferred.
- Extensive computer skills required, including high proficiency with Excel.

Desirable:

- CPA, Master's Degree, or other professional certification.

About the Northern Virginia Transportation Commission (NVTC)

NVTC (www.novatransit.org) serves as a regional forum for discussion and analysis of transit issues that are critically important to our economy and quality of life. Founded in 1964, in part to represent the interests of the Commonwealth during the establishment of the Washington Metropolitan Area Transit Agency (WMATA), NVTC is charged with the funding and stewardship of WMATA and the Virginia Railway Express (VRE), which it co-owns. NVTC is also the lead agency in the administration of the Commuter Choice program, a multi-decade effort that leverages toll revenues from Northern Virginia express lanes to support transit and multi-modal investments.
