

WHO WE ARE:

If you are looking for a challenging and exciting career with a **high performing** organization committed to preserving and protecting our planet's most valuable resource, then you will want to consider a career at Prince William County Service Authority.

We successfully blend meaningful public service with advanced business practices. We combine the best of public and private sector principles to create a **dynamic** yet financially stable work environment that recognizes individual and team contributions throughout the organization through **performance excellence**. We emphasize employee and **leadership development**.

DEPUTY DIRECTOR OF MANAGEMENT AND BUDGET

Position Summary:

Performs professional management and supervisory work in serving as the principal assistant to the Director of Management and Budget. The work involves planning, directing, coordinating, leading, and supervising the Financial Planning & Analysis, Procurement and Contract Management, and Supply & Logistics programs for the Service Authority. Overall goals are established, and the employee determines the specific tasks and assignments to be performed independently, handling new and unusual problems and deviations encountered in the work. Demonstrates a commitment and supports a culture of diversity, equity, and inclusion.

Essential Skills and Experience:

- Bachelor's degree in Finance, Accounting, or a related field.
- At least six years of progressively responsible experience in the areas of financial planning and analysis, procurement, and contract management and/or supply and logistics to include at least three years of management responsibility with direct supervision and management of others leading projects and project delivery.
- Additional essential skills and experience may be viewed at www.pwcsa.org.

WHERE AND HOW TO APPLY:
