PROGRAM SUMMARY
Montgomery County Employee Retirement Plans (MCERP) manages the administration, investment, compliance and financial reporting for the County’s retirement programs and the Consolidated Retiree Health Benefits Trust. Our plans are currently valued at $7.0 billion in net assets, with $200 million in annual contributions and over $550 million in net annual investment income.

ROLES AND RESPONSIBILITIES
MCERP seeks a Co-Chief Investment Officer for the Montgomery County Employee Retirement Plans (MCERP) and the Consolidated Retiree Health Benefits Trust to analyze economic conditions and investment markets to evaluate the effectiveness of the Board’s current asset allocation strategy, recommending changes to the Board’s current policies, guidelines, programs and/or the addition or deletion of investment strategies, managers/vendors, policies or guidelines. The position makes recommendations to the Staff Investment Committee concerning new investment opportunities across all asset classes requiring considerable judgment in a dynamic and frequently changing environment. The position conducts evaluation of the ERS and CRHBT in public and private assets, and the hedge fund investment programs and recommendation of the appropriate asset allocation strategy to maximize the return while managing the risk of the portfolio.

DUTIES
The position’s responsibilities include, but are not limited to:
• Portfolio management, including analyzing and evaluating investment managers and products
• Identifying and recommending investment strategies, developing guidelines, policies and procedures
• Evaluating current market conditions, and negotiating complex contracts
• Preparing research papers
• Development of the risk budget and Risk Management Program
• Acting as Executive Director in the Executive Director’s absence

A criminal background and credit history check will be conducted on the selected candidate prior to appointment and will be a significant factor in the hiring decision.
