

SENIOR FINANCIAL ANALYST
COUNTY OF SPOTSYLVANIA, VA

Under limited supervision, performs complex financial analysis work involving developing and using complex spreadsheets and financial models to analyze, project and report financial information. Work also involves assisting in coordination, preparation, development, implementation, monitoring and reporting of the County's operating and capital improvement budgets. Work may involve developing revenue projections, coordinating the preparation of the Capital Improvement Plan and managing aspects of the financial implementation of capital projects. Employee must be able to make independent decisions by frequently applying knowledge of accounting and budgeting principles and practices. Reports to the Budget Manager.

This is a senior level position with potential for upward mobility within the Finance Department for the applicant who possesses thorough knowledge of and experience in public finance administration, budget development, budget implementation, and reporting. Requires a bachelor's degree in finance, accounting, public administration or a related field, and at least 5 years of experience in the public sector financial field with emphasis on budget preparation and analysis; or any equivalent combination of training and experience which provides the required knowledge, skills and abilities in a public sector setting. Preference will be given to applicants who have achieved the required knowledge, skills and abilities in a local government and/or public school administration environment. **Salary: \$63,000 to \$82,000 (DOQ). Deadline: February 15, 2018.**
