President's Message

I hope everyone is enjoying their summer and, hopefully, taking some much needed time off!

It was great to see everyone at the Spring Conference. Thank you for joining us at our new location. The event was a huge success and we owe that to all of you and to our generous sponsors and exhibitors. I also want to thank our Past Presidents that attended and continue to support VGFOA. And, of course, we absolutely could not have had such a great conference without the hard work of the Board, especially our Spring Conference Chair Andrea Trent. Thank you for an awesome conference, Andrea!

The Nominating Committee is now accepting nominations until August 31st. There are **two Board positions** available with terms that expire October 2021 as well as the position of **President Elect**. Being a Board member is an invaluable experience and a great way to have a key role in shaping the future of our organization. I encourage you all to nominate someone!

Registration is now open for the **Fall Conference at the Hilton Short Pump Hotel in Henrico from October 24th to 26th**. This is a very popular location and we will feature several **budget related sessions**, so be sure to register soon.

Enjoy the rest of your summer and I will see you in October!

2018 Nominations for the VGFOA's Executive Board

Each year at the Fall Conference, VGFOA members elect individuals from the membership to serve on the Executive Board. The process begins with the president appointing a Nominating Committee consisting of at least three but not more than five past presidents. After receiving recommendations from the membership, the Nominating Committee selects at least one name from the Full Membership for each open position on the Board. The Nominating Committee presents its recommended slate to the Executive Board for approval, and then presents the approved slate to the membership at the Annual Business meeting. This year, the Annual Business Meeting will be held on Thursday, October 25, 2018 at the Hilton Richmond Hotel/ Short Pump in Richmond, Virginia. To help understand the Executive Board's role, described below are the duties of a board member:

- ✓ Set the future vision (strategic plan);
- ✓ Guide the operation;
- ✓ Lead a committee;
- ✓ Conduct and guide organization business according to the By-Laws and Policies and Procedures;
- ✓ Attend four to five, face to face, board meetings annually and as-needed telephone conference calls; and
- ✓ Serve a term of three years.

VGFOA members are the bench strength of our organization. By actively participating on committees, members have an opportunity to work with other members as well as current and past board members; this collaboration allows members to gain valuable experience and knowledge which can not only enhance their careers, but also can help them to become excellent candidates to serve on the board.

The Nominating Committee will begin accepting recommendations for candidates in July 2018. Members are asked to use the [VGFOA Executive Board Nomination Form](#) to submit names to the Nominating Committee for consideration for Board service that will best serve VGFOA. The nomination form will be available on the VGFOA website. Let's help the committee by presenting them with a great slate of candidates. Nominations will be accepted for the following positions:

- ✓ President Elect with term expiring October 2019
- ✓ Board Members (2) with term expiring October 2021

Deadline for submitting completed forms to [Kathy Seay](#), is Friday, August 31, 2018.

Communications, Legislative & Standards Setting Update

Two Items to Keep Watching

Now that the U.S. Supreme Court issued a decision in *South Dakota v. Wayfair, Inc.*, the way is cleared for state and local governments to enforce existing sales and use tax laws on remote sales. The next step is finding a solution that simplifies and streamlines the collection of sales taxes whether selling from a brick-and-mortar store or completely online.

An interesting item that keeps rearing its head in current local government discussions is short term rentals and whether localities should sign the Airbnb Voluntary Collection Agreement for Transient Occupancy Tax or create a registration program.

Virginia Government Finance Officers' Association's mission is "...to foster financial excellence in government by creating opportunities for professional development."
