See Section II on Officers of the Executive Board

Chapter 4 – By-Laws Article V – Election of Executive Board

The By-laws enable the Executive Board to prescribe the manner in which the elections are held.

The Nominating Committee shall be appointed by the President at least 90 days prior to the annual business meeting. This will enable the committee to meet and present a draft slate of candidates to the Executive Board at least 30 days before the annual meeting. The draft slate may be presented to the Executive Board electronically. If it so chooses, the Executive Board may vote to approve the slate at that time, or it may provide feedback to the Nominating Committee and withhold formal action on the slate until its fall board meeting.

The Nominating Committee will be chaired by the immediate Past-President and be comprised of at least three but no more than five past-presidents. The names of the nominating committee members should be made available to the membership as a whole and the nominating committee process should also be communicated to the membership via newsletter or other form of communication.

The Nominating Committee will solicit potential candidates and weigh the following factors in declining order:

- Service of candidate to the VGFOA, including serving as a VGFOA Committee chair or VGFOA committee member.
- Commitment of candidate to adequately devote time and resources to the VGFOA.
- Achieve diverse and representative Executive Board covering broad areas of geographic, governmental structures and fiscal expertise roles.
- The Association's need for new ideas and perspectives that can be attained by first time Board members.

For the offices of President, President-elect and Treasurer, the Nominating Committee should also consider leadership attributes in serving the organization over the long-term, managing contractual relationships and other duties assigned to such board members.

The nominating committee may require submission of a form for all nominees, and it may establish deadlines for this process as it feels are necessary.

After an interval of three years, Past Presidents may be eligible for one additional three-year term. However, Past Presidents will not be eligible for nomination to any officer positions.

If applicable, a final nominating slate will be presented to the Executive Board at the Board meeting prior to annual election. A simple majority of the Executive Board is required to accept the slate for presentation to the full membership.

If the Executive Board proposes changes to the slate, a two-thirds majority of the Executive Board will be required to accept the revised slate for presentation to the full membership.

The Nominating Committee will present the slate to the membership at the annual business meeting with a voice vote held to record the vote. If there are no objections, then such slate will be considered approved unanimously.

If the vote is not unanimous, form ballots will be made available for the membership to vote, and the results will be tallied and announced within 24 hours of receiving the ballot.

Chapter 5 – By-Laws Article VI - Annual and Special Meetings

The annual business meeting shall be at the Fall Conference.

The requirement of providing at least 30 days prior to the annual meeting shall be met via advertising of the fall conference.

Special meetings shall meet all notice requirements (at least 10 days prior to the meeting).

The Executive Board will enter into closed session for those discussion items that meet criteria for organizational closed session discussions.

The Executive Board may correspond with one-another via e-mail and/or conference call with results of the Board's opinion or vote documented in subsequent minutes of meeting.

Regularly scheduled Executive Board meetings will occur at least four times per year with the following schedule as a guideline (actual meeting schedule determined at the last Executive Board meeting of the calendar year at times and places most convenient to Executive Board members):

- February or March – at a mutually agreed-upon site and time
- May or June – just prior to the spring conference, traditionally held in Virginia Beach

Chapter 6 – By-Laws Article VII – Amendment of By-Laws

The By-laws Committee shall be comprised of the immediate Past-President and two active Board members appointed by the President.

The President shall establish the committee by January 1 of each year. The immediate Past President shall chair the committee with the goal of having the By-Laws reviewed, and if any edits are proposed by the committee, to have such edits presented to the Executive Board no later than the spring conference meeting. Proposed edits to the By-Laws shall have two-thirds majority support of the Executive Board to be moved to the full membership for consideration.

Prior to taking proposed By-Law amendments to the membership, the Executive Board should seek review by its attorney of such proposed changes.

Proposed by-law amendments shall be made available to the full membership at least 30 days prior to their consideration at the annual business meeting. Majority vote of the attendees at the annual meeting shall constitute approval of By-Law amendments.

Chapter 7 - Article VIII – Rules of Conduct of Meetings

The Past-President shall serve in the role as understanding the Robert's Rules of Order in order to best conduct the meetings should such consultation be needed.

If it appears that a unanimous vote is not reached via a voice vote, then a roll call shall be done for Executive Board meetings and a ballot format for annual business meetings for the membership.

Attendance at Meetings and Provision of Appropriate Resources

In order for the business of the VGFOA to be conducted properly, attendance at meetings and the provision of appropriate resources is expected from each and every Executive Board member.

Members who fail to attend 50% of scheduled VGFOA Board meetings during their term and/or who fail to perform their duties (e.g., commitments to assigned duties, committee oversight, etc.) may be removed from the Executive Board, upon vote by the Executive Board, with the resulting vacancy filled in accordance with the By-laws.

Purpose: to remain apprised of activities of standard setting authorities (e.g., GASB) that may impact governmental entities. Conduct research to enable VGFOA to formulate a position on standards and to support formulation of education and communication strategies to best inform members in a timely manner.

Updates shall be performed as needed in order to best apprise members of standard setting body actions (e.g., GASB, GFOA, etc.).

Work closely with the Education Committee to design course offerings and or conference session topics that will orient members to proposed changes in standards and prepare them for implementation of the changes.

Review Exposure Drafts and formulate an official VGFOA response to those by the comment deadline. Any VGFOA official response should be prepared and routed to the full Executive Board for input then sent under the signature of the President.

Chapter 22 - Collaborating Organizations

The VGFOA recognizes that it is a value to its membership to encourage and solicit educational and other informational items from other organizations; it has provided collaborative opportunities for such organizations to provide information to the VGFOA.

The following organizations have been identified as collaborative organizations:

Treasurer's Association of Virginia
Association for Governmental Accountants, Virginia Chapter
Local Government Auditors Association
Virginia Society of Certified Public Accountants
Virginia Association of School Business Officials
Virginia Association of Counties
Virginia Municipal League
Virginia First Cities

Reciprocal member recognition shall be given to the Treasurer's Association of Virginia which shall entitle such members to receive information on conferences and educational training.

**Section VI – Financial Policies
and Procedures**

Chapter 23 - Financial Policies and Procedures

Code of Ethics

A code of ethics shall be followed which defaults to the current GFOA Code of Ethics.

Internal Controls

The VGFOA is a small organization that is primarily volunteer-based except for the Executive Secretary and Educational Services Provider. Board members are not in close proximity to one another, therefore, the internal controls noted in this policy are best attempts to mitigate risk given the size and regional dispersion of the organization.

Budget

By December 1, each committee chair and the Executive Secretary shall submit budget requests for the next fiscal year to the Treasurer.

By the December Board meeting, the Treasurer shall prepare a draft balanced budget for the next fiscal year.

These are the financials goals for the budget:

- Positive conference and educational course margins
- Projected year-end net assets be at least 15% of total projected revenues

A budget shall be prepared for each conference and educational session to reflect expected revenues, expenses and net income. Assumptions used to determine expenditure budgets for contracted services, conference and education training costs, awards and scholarships and other committee needs should be documented.

The Executive Board shall adopt a balanced budget for the upcoming fiscal year by December 31st.

During the fiscal year, the President may approve expenses not budgeted in an amount up to \$2,500 per year. The Officers, by a majority vote, may approve expenses not budgeted in an amount up to \$5,000 per year. Approval of expenses not budgeted in excess of \$5,000 requires the approval of the Board by a majority vote. When approving expenses not budgeted, every effort should be made to use savings in other budgeted line items or revenues in excess of budget before using the unrestricted net assets.

The budgeted expenses for the conferences are revenue driven. If revenues exceed budget due to increased attendance or sponsorship, the expenses may then exceed the budget as long as the net income from both conferences combined is as budgeted or exceeds budget. Likewise, if the revenue is less than budgeted, the expenses must also be adjusted to be less than budget.

A periodic budget review will be conducted by the Treasurer as part of the regular financial reporting of the organization.

Receipts

All receipts shall be recorded in a cash receipt log by payee, date, account code and dollar amount.

Deposits shall be prepared in a timely manner and made at the bank within 5 business days of receipt.

If a check is returned for insufficient funds, services related to such checks will be placed on hold until a new check is received and properly processed by the VGFOA. The payee of a returned check must pay the VGFOA to cover the bank fee for a returned check plus \$15.

Cash received should be acknowledged by the Executive Secretary including the date, amount received, payer, person accepting payment and purpose.

All money received for Conference Sponsorships shall be paid directly to the VGFOA, which will then offset the cost of the event.

All Regional Organization expenses sponsored by Associate Members should be paid directly by the sponsor. The VGFOA will not accept money directly from Associate Members for Regional Organization Sponsorships.

Collections Policy

Members are billed annually for their membership dues. See Membership Chapter for more details. A listing of detailed accounts receivable balances shall be provided to the Treasurer monthly.

- VGFOA will send an invoice within 7 days to vendors who choose the "Bill Me" option.

Collection Policy for Conference Registration, Educational Courses and Regional Events

- Invoices for open orders will be sent within 7 business days of the event registration.
- A second notice will be sent on delinquent payments 30 days after the original invoice was sent.
- All open A/R will be reported to the Treasurer on a monthly basis. The Treasurer will discuss with the administrator any invoices that are over 60 days. The Treasurer will contact the respective committee chair, as appropriate, and follow-up with responsible individuals.
- The VGFOA has the right to pursue additional action on delinquent invoices determined on a case by case scenario.
- These above policies apply to all VGFOA Events unless otherwise noted in the corresponding event materials.

Purchasing and Disbursements

Disbursements

An original vendor invoice shall be submitted prior to disbursement of funds. The invoice should contain sufficient detailed information to satisfy the VGFOA records as to the purpose of the expenditure. Disbursements shall be approved by the appropriate committee chair and the Treasurer with payment processed by the Executive Secretary. Request for payment along with supporting materials shall be communicated to the Treasurer via e-mail, with written authorization provided by the Treasurer prior to the disbursement of funds. In the absence or unavailability of the Treasurer, the President shall make such approval. In the event the Treasurer is seeking reimbursement, the President shall approve. In the event the President is seeking reimbursement and the Treasurer is unavailable, the President-Elect shall approve. All reimbursements shall be approved by someone other than the requesting individual.

All checks for more than \$5,000 require both the Treasurer's and President's written approval prior to disbursement.

All disbursements shall be logged in a cash disbursement journal, recording payee, date, description of good/service, dollar amount and account code.

The Treasurer shall review supporting documentation for expenditure transactions throughout the year. The Treasurer will also review a detailed list of disbursements each month.

Reward Points Accumulated from VGFOA Purchases

Hilton Honors Program and Omni Loyalty Programs

The VGFOA will accrue points in the Hilton Honors and the Omni Loyalty programs when hosting conferences at the respective hotels or during Board travel. These points

are to be used solely for VGFOA Board travel. A record of points awarded and points redeemed shall be maintained by the Executive Secretary.

Reimbursements

From time to time, the VGFOA may need to reimburse an individual for a purchase or expense rather than paying for the item directly. In such cases, the VGFOA shall still be presented with a detailed vendor invoice indicating the vendor, date of purchase, item or service purchased and the amount. In the event of meals, a detailed receipt should be presented and it should list the parties who participated in the meal and the business purpose.

Procurement

The VGFOA is not bound by Virginia Public Procurement. However, given the leadership role played by the organization in government finance, VGFOA shall follow prudent competitive purchasing processes. Particularly where contracted services are concerned, the VGFOA should follow competitive procurement practices. This would include services such as administrative, educational, audit, and banking services. For goods, the VGFOA should perform price comparison using judgment and based on the cost of the item to be acquired.

Contracts

Written contracts should be used for contracted services such as conferences, audit, executive secretary, educational and banking services. The contract negotiation process should be led by the officer or board member most responsible for arranging the service. Contracts terms, including renewals, should not extend beyond a five-year period. Prior to approval, contracts should be reviewed by legal counsel as considered necessary. Contracts should be made available for review by the Executive Board and signed by the President.

Debit Card

The President and Executive Secretary are authorized to use the VGFOA Debit Card. When practical, the appropriate committee chair, Treasurer and/or President must approve the expenditure prior to the use of the card. Detailed receipts must be obtained for all card charges. These should be submitted to the Executive Secretary as soon as possible.

To mitigate misuse or theft risk, for credit card or procurement card transactions, card constraints should limit the amount of allowable daily purchases. A limit of \$500 shall be placed on daily cash withdrawal.

Card statements shall be reviewed by the Executive Secretary and matched to detailed receipts to verify that the amounts are accurate and to check for errors. The monthly statement shall be reviewed by the Treasurer, and the front of the statement shall be signed to indicate approval of transactions. For any transactions without proper receipt, the individual responsible for the transaction shall document the purpose of the purchase. This shall be approved by both the Executive Secretary and the Treasurer.

Any unapproved purchasing card transactions shall be reimbursed by the individual making the charge.

Debit Card Usage Policy

The Executive Secretary will maintain two debit cards, one card in the name of the Executive Secretary, and one in the name of VGFOA. The debit card in the name of the VGFOA is only to be used by the Executive Secretary and members of the executive board as needed for approved expenditures. The debit card in the name of the Executive Secretary may be used by individuals as authorized by the Executive Secretary.

For vendors doing repeat, or ongoing, business with VGFOA or one of its regional organizations, the Executive Secretary will provide card information directly to the vendor so that it can be retained on file, as appropriate. The Executive Secretary will keep a record of vendors who keep the debit card information on file;

For VGFOA members transacting business with vendors who don't keep the card information on file, VGFOA members should either

- Request an invoice be sent to the Executive Secretary, or
- Request that the Executive Secretary provide debit card information directly to the vendor; with the committee chair (as appropriate) and Treasurer approving payment in advance.

All receipts should be forwarded to the Executive Secretary for processing. Prior to paying debit card bills, the Executive Secretary will obtain approval from VGFOA's Treasurer.

Bank Account

The Treasurer and Executive Secretary shall have electronic access to the VGFOA bank account. The Treasurer shall periodically access each bank account to review the activity during the month and at month end. Other individuals may have access upon written approval of both the Treasurer and Executive Secretary.

Bank Reconciliations

Monthly bank reconciliations shall be prepared by the Executive Secretary by the 10th business day of the following month and are reviewed and approved by the Treasurer as indicated by e-mail approval.

Investments

Investment decisions of the VGFOA shall be made by the Executive Secretary with approval by the Treasurer. Such decisions shall take into consideration the current and upcoming budget as well as VGFOA's cash flow requirements.

Permitted Investments

All investments shall be made within prescribed limits of the Code of Virginia as it pertains to local governments.
Investments will be limited to the following:

- Money market accounts
- Bank certificates of deposit not to exceed 5 year maturities

The total amount invested in any bank may not exceed FDIC insurance limits.

In recognition of its fiduciary role in the management of all public funds entrusted to its care, it shall be the policy of the VGFOA that all deposit and investment balances be invested with the same care, skill, prudence and diligence that a prudent and knowledgeable person would exercise when undertaking an enterprise of like character and aims under circumstances prevailing at that time.

Investment – Objectives

Safety - the safeguarding of principal shall be the foremost objective of the investment program by mitigating credit risk and interest rate risk with all other objectives subordinated to the attainment of this objective.

Liquidity - the investment portfolio shall be managed at all times with sufficient liquidity to meet all daily and seasonal needs, as well as special projects and other operational requirements either known or which might be reasonably anticipated.

Fund Balance

The projected year-end fund balance shall be a minimum of 15% of total projected revenues. Should the fund balance fall below this level, the VGFOA will restore its fund balance to this level within a five-year period.

Periodic Reporting by the Treasurer

At each Board meeting, a summary year-to-date report for the most recently completed month/quarter shall be presented to, and accepted by, the Board. These financial reports shall include the following information:

- Balance Sheet
- Detail Accounts Receivable listing
- Year-to-date Income Statement with actual revenues and expenditures compared to budgetary balances as well as projection by budget area through fiscal year-end.
- Net revenue and expense summaries for each educational training session and conference held since the previous Board meeting.

Non-year-end financial reports shall be prepared on a cash basis.

Accounting System

The VGFOA owns an accounting software which is used for periodic reporting by the Treasurer and for budget purposes. The Executive Secretary may utilize an accounting system of its choosing, such system to interface with the Association's system.

Contributions

The VGFOA may be solicited for contributions to various causes that promote governmental financial standards, education and practices. Contributions shall be approved by majority vote of the Board, preferably through adoption in the annual budget.

Donation to GNAC Foundation

A strategic relationship exists between VGFOA and GNAC, as GNAC serves as the Educational Services Provider and the VGFOA-GNAC partnership provides the Certificate Program to the VGFOA Membership. Revenues from the Certificate Program courses are split between VGFOA and GNAC, with GNAC using its share of revenues as a funding source.

In response to Radford University reducing monetary support to GNAC in 2010, the GNAC Foundation was created so that GNAC could be self-supporting through an endowment. The main purpose of the GNAC Foundation is to provide a stipend for the future replacement of the GNAC Director, currently Bruce Chase, as well as for faculty who teach VGFOA-GNAC Certificate courses.

In 2011, VGFOA's fee per participant for Certificate courses was increased from \$50 to \$70 so that VGFOA could give a \$5,000 donation (\$20 x an estimated 250 participants per year) to GNAC each year. Receiving the funds as a donation as opposed to revenue affords GNAC the ability to further build the GNAC Foundation.

The GNAC representative has the ability to spend the endowment as they see fit (such as use for GNAC operations, etc.). Therefore, in order to ensure the endowment is being used for future VGFOA benefit, the GNAC representative shall annually submit a report to the Board on the Education/Certificate Program and the cash flows of the Foundation.

The Education Chair shall include in their annual budget request additional donations beyond the current \$5,000, if any, to be made to the GNAC Foundation. Such budget requests shall include the amount of the additional contribution, and justification for the proposed amount of the additional contribution.

Record Retention

All record retention guidelines of the Library of Virginia shall be followed.

Records to be permanently retained shall include minutes of board meetings, by-laws, IRS filings, audit reports, adopted budgets, certificates of insurance and other documents deemed appropriate.

Critical records are deemed to be general ledger records of revenues and disbursements and membership lists. The authorization received from the appropriate

committee chair and Treasurer indicating approval for disbursements shall be maintained in supporting documentation records for check disbursements.

Permanent and critical records shall be secured in a fire-proof location in the offices of the Executive Secretary with back-up of such records at an off-site location. Electronic records shall be backed up offsite on a daily basis.

Business Continuity Policy

The VGFOA shall have adequate business continuity plans in place to ensure continuation of operations in the event of an emergency. Service providers are asked to have such plans in place as well. The VGFOA President shall oversee this process.

VGFOA does not reimburse or otherwise pay expenses for non-board members to attend Board meetings or events, except for the Executive Secretary and staff serving VGFOA. Guests attending VGFOA Board events shall pay their own costs. The VGFOA Board may determine a pre-arranged flat fee for guests to attend a particular function.

Contingent upon funding availability, the President and/or President-elect may be reimbursed for costs associated with business meetings that they may need to conduct on behalf of the VGFOA with such costs not exceeding IRS allowable per diems for lodging and meals and IRS mileage reimbursement rate.

Other costs, including mileage, incidentals and other non-Board related meals shall be borne by the Board member with the desire that each Board member's governmental entity provide such reimbursement as would pertain to any other governmental travel for educational training or business.

Other reimbursable Board travel costs are as follows:

- To support participation at the Government Finance Officers Association's annual national conference, the VGFOA will reimburse documented expenses for the President, President-elect and immediate Past-President to attend the conference in an amount approved in the annual Budget but not to exceed \$1,000 per Officer. The reimbursement will be made after the Conference and upon receipt of invoices supporting the expenses and a reconciliation of the total cost to attend the conference, the amount reimbursed by VGFOA and the amount paid for by the Officer's jurisdiction.
- If appearing on behalf of the VGFOA to testify, make a presentation or otherwise represent the VGFOA, when required or authorized by the Executive Board, then VGFOA shall reimburse meals, lodging and mileage at the allowable IRS per diem reimbursable thresholds.
- Upon request, mileage reimbursement to support appearance by a representative of the VGFOA to present GFOA Certificate of Achievements to localities requesting presentation.

Executive Secretary Reimbursable Expenditures

Reimbursable expenses for attendance at VGFOA Conferences and Board meetings shall include, in addition to any other defined in the contract:

All lodging and meals costs at conferences for two administrative staff, and one staff member attending board meetings outside the Richmond area. For board meetings in the Richmond area, no travel costs will be provided.

Conference Related Expenditures

Speaker travel

Reimbursable expenses for conferences and training speakers are as follows:

- If the speaker is an associate member or non-member/non-governmental employee, then no reimbursement will be provided unless otherwise approved by the Executive Board and/or addressed in another policy section (e.g., vendor relations).
- If the speaker is a full active member, then a free registration shall be permitted
- If the speaker is not a member, but is a governmental employee, then a free registration is permitted, and, if requested by the speaker, one night's hotel lodging shall be permitted.
- For keynote speakers, accommodations can be made for one night's lodging and reasonable travel reimbursement if requested by the speaker.
- "Reasonable" travel costs may include airfare if requested by a speaker who travels further than (define specifically) or mileage reimbursement for a speaker who drives. The speaker's meals should be covered during the VGFOA conference or by the VGFOA if the speaker attends a Board dinner, unless covered by an associate member.

Approval for expenses related to travel of speakers to a VGFOA conference shall be made in advance by the Conferences Committee Chair, subject to funding availability.

Board Lodging – Virginia Beach

The Executive Secretary, at the direction of the Conferences Committee Chair shall present the Virginia Beach hotel coordinator with a listing of Board member names with the request that Board members be given first consideration for ocean front/ocean view rooms. Board members should not contact hotel staff directly with this request.

Comped Rooms

Any rooms "comped" as part of contracts with hotels may only be used for VGFOA board members and speakers during the days of the conference.

Committee Member Lodging

Subject to approval in the conference budget and upon request of the appropriate committee chair, VGFOA shall provide lodging for members of the Conference and Associate Member Services Committees for the spring and fall conferences.

Past President Conference Expenses

VGFOA waives the conference registration fee to the Fall Conference for all Past Presidents. It is not the policy of the VGFOA to pay Past Presidents' hotel costs at conferences. Doing so shall require approval by the Board. (It should be noted that the VGFOA did this as a special occasion for the VGFOA 40th anniversary.)

Regional Organizations Financial Policies

Funding Carry Forward

Regional organizations are permitted to carry forward unspent revenues from one year to the next. At the end of every year, an evaluation of regional organization revenues and expenditures should be made. To the extent net revenues remained after deducting expenses not covered by the VGFOA allotted amount, funding may be carried forward subject to Board approval. In no event will the funding provided through the VGFOA's budget be carried forward.

Expenditure Approval

Expenditures of the regional organizations must be approved by the Regional Organization Chair and by the Regional Organizations Board Chair before being processed. Upon approval, authorized expenditures of regional organizations will be processed following normal VGFOA policies and procedures.
