#### Job Description

The Loudoun County Department of Finance and Budget (DFB) is currently seeking a versatile, detail-oriented individual with strong analytical and communications skills, who is committed to providing excellent customer service.

This Functional Systems Accountant position will provide Oracle support for Finance applications, maintain system setups, as well as test processes for system bugs, upgrades and release update patches (RUPs). Additional responsibilities include assisting with enhancement projects and reports development. Knowledge of generally accepted accounting principles, financial reporting and experience with ERP systems will help distinguish the best candidate for this position.

Loudoun County Regular Full-time Employees are eligible for full benefits including but not limited to the following as a part of a total rewards package!

- Retirement from the Virginia Retirement System (VRS)
- Annual leave

Sick leave

- o Annual Paid Holidays
- o Group Health Plan
- o Group Life Insurance
- o Exceptional Performance Recognition
- o Credit Union Membership
- o Employee Assistance Program (EAP)

Hiring salary commensurate with experience.

This position is eligible for up to three (3) days a week of telework in accordance with the County's Telework Policy.

### Job Requirements

Requires any combination of education and experience equivalent to a bachelor's degree in Information Technology, Accounting or related field and a minimum of three years of related work experience in accounting and / or system testing and maintenance. Prefer experience testing system processes in Oracle's e-Business Suite, with a focus on Accounts Payable and Accounts Receivable, experience using OBIEE, Splash BI, or similar business intelligence applications. Knowledge of SQL a plus.

### Post Conditional Offer Contingencies

Employment is contingent upon successful completion of a criminal background, credit, and DMV background check.
